Other Information Distribution Resources:

ANC uses the following resources to communicate with public and stakeholders:

1. ANC provides press releases and other information via the GovDelivery system. To receive these transmissions direct to your email account, go to the Anchorage Airport website: www.anchorageairport.com, and follow the link to GovDelivery.
2. Information is available on the ANC website: www.anchorageairport.com
3. ANC meetings are public noticed on the State's online public notice system: <http://notes3.state.ak.us/pn>
4. ANC uses social media as an outlet for some information:
[www.Facebook.com/AnchorageInternationalAirport](https://www.facebook.com/AnchorageInternationalAirport)
<https://twitter.com/#!/TSAIAirport>
5. ANC publishes The AirTimes, a newsletter that recaps recent events and highlights airport department projects. Newsletter is available from ANC website and is sent out via Govdelivery.

Media Inquiries:

1. Print, radio and television media requests are handled by ANC Information Officer. Specifics of interview, including detailed list of questions are provided to Information Officer, who coordinates interview time, location and availability of subject matter experts representing ANC.

Public questions/comments:

1. ANC receives direct communications from public via telephone calls, mail, and email, either direct or via our website. These inquiries are directed to the subject matter expert according to topic. Subject matter expert either responds directly or supplies response to be sent as reply.

Public Involvement:

1. ANC participates in the following community organizations:
Anchorage Economic Development Corporation
Visit Anchorage
Alaska Travel Industry Association

Anchorage Chamber of Commerce

ANC holds the following public events:

- Alaska Aviation Careers and Airport Job Fair (annual, spring)

- Airport Health Fair (annual, fall)

- Stand Down for Veterans (annual, fall)
